3rd Progress Presentation Report

| | | | |
|----------------------------|--|---------------|--|
| Candidate's Name | | Enrolment No. | |
| Faculty | | | |
| Program | | | |
| Thesis Title | | | |
| Date of Presentation | | | |
| GEC Member Name | | Designation | |
| GEC Member's Email Address | | Contact No. | |

Guideline For Evaluator:

The outcomes of the 3rd progressive may be Satisfactory, partially satisfactory or Unsatisfactory based upon the qualitative assessment done by the GEC on a prescribed Performa. The results should demonstrate the following:

- i. Key parameters of the study
- ii. Effect of input on expected outputs
- iii. Validation of results by comparing either with experimental data & theoretical model or with reference to the published results
- iv. Highlighting deviations/improvements and their justifications

| <u>Checklist for 3rd Progress Presentation:</u> | (√) |
|--|-----|
| a. Publication requirement in at-least HEC recognized W category journal (for sciences) / X category journal for (social sciences) [for candidates having review / preliminary results were published in peer review national/international conference] OR X category journal (for sciences) / Y category journal (for social Sciences) [for candidates having review / preliminary results were published in HEC recognized X category journal (for Sciences) / Y category journal (for Social Sciences)] | |
| b. Observation(s) received by the panel in the previous evaluation are incorporated | |
| c. Final results are obtained | |
| d. Analysis of results is sufficient to draw a conclusion | |
| e. Research outcomes/ preliminary conclusion is clearly defined | |
| f. First draft of the thesis is ready to present (optional) | |

OVERALL STYLE AND ORGANISATION:

Please state not relevant, where appropriate.

1. The overall contents of the Progress Presentation as per given checklist:
