**THE MEGA RANDOMIZED REGISTRY TRIAL COMPARING CONSERVATIVE VS. LIBERAL  
OXYGENATION TARGETS (MEGA-ROX)**

**Informed Consent**

I confirm that I have read the written information for this study titled, ‘Mega-ROX’-A clinical trial comparing conservative oxygen therapy to liberal oxygen therapy in mechanically ventilated adults in the intensive care unit’ and confirm that I have had the opportunity to ask questions and I am satisfied with the answers and explanations that have been provided.

I understand that participation in this study is purely voluntary and that we are free to withdraw at any time, without giving a reason. I confirm that I have been informed by my relative’s treating doctor that their de-identified clinical data will be used for presentation/scientific publication and/or research analysis.

I understand that we have not given up any of our rights by signing this form. I know that I can receive the full copy of this signed statement with my signature below at any time from the study investigators. I have been assured by the treating team that my relative will be informed about participation in this study as soon as they gain the ability to understand and process information.
