# THE PATRON OF PROGRESS

**Syed Sardar Ali Shah**  
Education Minister  
Government of Sindh, Pakistan

It is with great pride and satisfaction that I extend my heartfelt congratulations to all those who have been part of the All Sindh Youth Spelling Bee Competition—an initiative that has grown from a promising regional event into a province-wide platform of academic celebration and inclusive excellence.

Over the past two editions, this competition has demonstrated how a simple yet powerful idea can unite our students, schools, and communities in the spirit of learning, language, and self-expression. I am especially pleased to see that this initiative has not only expanded geographically but has also deepened in impact welcoming participants from government schools for the first time and showing a remarkable increase in the participation of girls. These are signs of a healthy, progressive education ecosystem that values equity, voice, and opportunity for all.

What inspires me most is the diverse talent emerging from every region of Sindh. From Karachi to Mirpurkhas, from Sukkur to Hyderabad, it is now evident that brilliance is not limited by boundaries. Our students regardless of their background, school, or district are capable of achieving excellence when given the right platform, encouragement, and recognition.

The Spelling Bee is not merely a contest of words; it is a stage for building confidence, character, and communication. It cultivates the very skills that today's learners need to become tomorrow's leaders. I am proud that this competition reflects the Government of Sindh's ongoing commitment to promoting inclusive, competitive, and empowering educational initiatives.

I take this opportunity to commend the tireless efforts of Mrs. Rafia Javed Mallah, whose vision and leadership have been central to the planning and success of this initiative. I also appreciate the commitment and support of Mr. Arsalaan Iqbal Leghari and the team at Ziauddin College – Intermediate and A-Levels, who have demonstrated exceptional organizational spirit in executing this event with transparency and excellence.

To all students who participated whether you stood on the winner's podium or not know that you have taken a bold step forward in your learning journey. Your presence, your voice, and your passion are the true triumphs of this competition.

Let us continue to celebrate, support, and strengthen such platforms that bridge gaps, uplift voices, and build a future rooted in education and equality. I look forward to seeing the All Sindh Youth Spelling Bee grow even further in its upcoming editions reaching more schools, nurturing more talent, and spelling success across every corner of Sindh.

# THE CUSTODIAN OF ACADEMIC INTEGRITY

**Zahid Ali Abbasi**  
Secretary

Sindh Education and Literacy Department  
Government of Sindh, Pakistan

It gives me great pleasure to share a few words on the success of the second edition of the All Sindh Youth Spelling Bee Competition, a remarkable initiative that continues to promote academic excellence, critical thinking, and self-expression among the youth of Sindh.

Having witnessed the Grand Finale of the 2024 edition firsthand, I was both inspired and proud to see students from across the province—representing diverse backgrounds, schools, and regions—come together on one platform to celebrate learning. The competition has grown beyond a spelling challenge; it has become a movement of empowerment, opportunity, and confidence-building for the students of Sindh.

One of the most meaningful aspects of this year's competition was the active participation of government schools and a significant rise in girls' representation. These developments are a testament to the inclusive vision behind the initiative and the commitment of the Sindh Education and Literacy Department to foster platforms that are accessible, equitable, and truly representative of our student population.

I extend my deepest appreciation to Mrs. Rafia Javed Mallah, whose tireless dedication, transparent leadership, and passion for education continue to drive this competition forward. I also commend Mr. Arsalaan Iqbal Leghari and the team at Ziauddin College – Intermediate and A-Levels, whose professional execution and strong coordination ensured that the second edition maintained the high standards set in its inaugural year.

As Secretary during this important phase of growth, it was my honor to witness the competition's expansion across all regions of Sindh and see how it has become a unifying academic experience for students of all types of institutions. I was particularly pleased to support the decision to recognize all tied positions in the Grand Finale—ensuring fairness, encouragement, and dignity for every finalist team.

To the young participants: you are the true essence of this initiative. Your dedication, your courage to compete, and your pursuit of excellence make us believe in a brighter, bolder future for our province. You have proven that when given the right stage, students of Sindh can shine at par with the best anywhere.

The Sindh Education and Literacy Department will continue to support and promote platforms that empower our students beyond textbooks—fostering skills that prepare them for leadership, creativity, and lifelong learning.

Let this competition continue to grow as a symbol of collaborative spirit, student-centered learning, and provincial pride.

# THE FOUNDING LIGHT

**Rana Hussain**

Ex - Education Minister

Government of Sindh, Pakistan

It brings me immense joy and pride to witness how the All Sindh Youth Spelling Bee Competition, which was initiated during my tenure as the Interim Minister for Education in 2023, has evolved into one of Sindh's most impactful educational platforms for youth engagement and academic enrichment.

The vision behind this initiative was simple yet profound—to create a space where students could discover the power of language, build confidence in public expression, and challenge themselves intellectually. I strongly believed that our youth needed more opportunities outside the traditional classroom model to demonstrate their talent, and I am deeply gratified to see how this idea has flourished far beyond expectations.

What started with just two regions—Karachi and Hyderabad—in the inaugural edition, has now grown into a province-wide celebration of talent, thanks to the continued support of the current Minister for Education, Mr. Syed Sardar Ali Shah, and the dedicated efforts of Mrs. Rafia Javed Mallah, whose relentless passion and commitment have truly brought this vision to life.

I am particularly inspired to see the growing participation of girls and students from government schools, a sign that we are moving toward a more inclusive and equitable education system in Sindh. It affirms our belief that talent exists in every corner of the province and that with the right platforms, our students are more than capable of rising, performing, and excelling.

My sincere appreciation goes to Mr. Arsalaan Iqbal Leghari and the entire team at Ziauddin College – Intermediate and A-Levels for executing this competition with integrity, creativity, and a deep sense of responsibility. Their work behind the scenes has ensured not only the continuity of the competition but also its consistent growth in scale and impact.

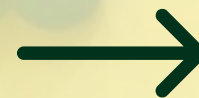

To every student who has participated—know that you are part of something meaningful. Your courage to stand on stage, to speak, to spell, and to believe in yourself is a victory in itself. This competition is a celebration of your journey, your effort, and your potential.

I hope that the All Sindh Youth Spelling Bee Competition continues to grow and inspire future generations. May it remain a beacon of opportunity, a platform of empowerment, and a symbol of what can be achieved when we invest in our youth.

With immense pride and warm wishes.

# THE POWER BEHIND THE PURPOSE

**Rafia Javed Mallah**

Add. Director

Directorate of Inspections and Registrations  
of Private Institutions, Sindh

It brings me immense joy and pride to reflect on the remarkable journey of the All Sindh Youth Spelling Bee Competition, a platform that began with a simple yet powerful vision: to nurture linguistic excellence, build academic confidence, and provide a stage for the brilliant young minds of Sindh to shine.

What began as a regional initiative in 2023, focusing on the Karachi and Hyderabad regions, has today evolved into a province-wide academic movement. The inaugural edition in 2023, launched with the generous support and encouragement of the then Interim Minister for Education, Government of Sindh – Mrs. Rana Hussain, was a bold and timely step in promoting literacy, communication skills, and competitive learning among students. The response was nothing short of overwhelming. Schools, educators, parents, and most importantly students embraced the opportunity with enthusiasm, passion, and a healthy spirit of competition.

Motivated by the success and energy of the first edition, the competition returned in 2024 with even greater participation, improved structure, and broader engagement. It became evident that this initiative had touched a chord across school communities and had the potential to become a flagship educational event for Sindh. It was at this pivotal juncture that we were honored to receive the guidance and directives of the current Minister for Education, Government of Sindh – Mr. Syed Sardar Ali Shah, under whose visionary leadership the competition has now been expanded to all regions of Sindh for its third edition in 2025.

This expansion marks not just a geographical milestone, but a deeper commitment to educational equity and excellence. It ensures that students from every corner of Sindh, urban and rural, private and public sectors are given a fair platform to demonstrate their abilities, engage with language at a deeper level, and celebrate the beauty of words and expression.

The All Sindh Youth Spelling Bee Competition is more than just an event; it is a movement. It aims to build a culture where students are not only encouraged to learn but inspired to explore, articulate, and grow. Spelling Bees do more than test memory, they strengthen cognitive abilities, enhance comprehension, boost public speaking, and cultivate the confidence that lasts a lifetime.

The success of the past two years would not have been possible without the unwavering support of our partners, school networks, teachers, and the Government of Sindh. I would especially like to extend my heartfelt gratitude to both Mrs. Rana Hussain and Mr. Syed Sardar Ali Shah for recognizing the transformative power of such initiatives and helping take them to scale. Their belief in the potential of our youth has been instrumental in shaping this journey.

As we step into the third edition in 2025, we do so with renewed purpose and greater ambition. We are committed to ensuring that this platform continues to evolve, offering meaningful opportunities to students across Sindh. I invite all stakeholders educators, institutions, parents, and students to participate wholeheartedly in this celebration of language, learning, and leadership.

Let us continue to invest in the intellect and imagination of our children. Let us keep spelling the way to success together!

# GUIDING THE MISSION

**Arsalaan Iqbal Leghari**  
Principal

Ziauddin College - Intermediate and A - Levels  
A Project of Ziauddin University (Ziauddin Education System)

It is with immense pride and a deep sense of fulfillment that I reflect on the journey of the All Sindh Youth Spelling Bee Competition—an initiative that has grown beyond expectations and touched the lives of countless students across the province. What started as a regional effort has now flourished into a province wide academic celebration, and being entrusted with its operational and strategic direction has been one of the most humbling experiences of my professional life. At the heart of this success is a person whose dedication, leadership, and vision have shaped every step of the journey,

Mrs. Rafia Javed Mallah. I would like to express my deepest and most heartfelt gratitude to her. Her unconditional support, tireless commitment, and hands-on involvement in every tiny detail of the program are nothing short of extraordinary. Whether it is conceptual planning or last-minute execution, she brings an unmatched level of passion, precision, and transparency. I have had the privilege to witness firsthand how invested she is—not just in the event, but in the growth, confidence, and success of every student who participates.

Women like her resilient, visionary, and unwavering are truly rare to find in the education sector today. She has exemplified what it means to lead with both strength and compassion. Truly, she is an Iron Lady whose influence will leave a lasting legacy on the educational landscape of Sindh. During the second edition of the competition, I was mesmerized to witness the incredible talent from Mirpurkhas region. The level of confidence, articulation, and intellect displayed by the students was nothing short of inspiring. It reinforced my belief that our province is rich with talent—untapped, vibrant, and full of potential that can truly do wonders if given the right platforms and encouragement.

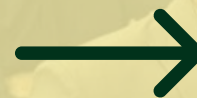

I am also immensely grateful to the then Interim Minister for Education, Government of Sindh – Mrs. Rana Hussain, whose early support laid the foundation for the competition's first successful edition in 2023. Her encouragement gave the vision its initial wings. And to the present Education Minister – Mr. Syed Sardar Ali Shah, I extend my sincere appreciation for recognizing the impact of this initiative and expanding its scope to all regions of Sindh. Your trust and support have propelled this competition to new heights.

Above all, I am thankful to Mrs. Rafia Javed Mallah, Mrs. Rana Hussain, and Mr. Syed Sardar Ali Shah for entrusting me with this responsibility and finding me capable of contributing to such a meaningful cause. Your faith in me has been my biggest motivator, and I am honored to have been a part of this incredible journey.

As we look ahead to the third edition in 2025, I remain committed to the core mission of empowering youth through education. Let us continue working together to create more opportunities where our youth can learn, grow, and excel—because when we nurture their potential, we shape the future of Sindh.

## Final Showdown: Where Spelling Stars Shined

The All Sindh Youth Spelling Bee Competition concluded its regional finals with resounding success in both Karachi and Hyderabad, marking a significant milestone in its first year journey of academic excellence. On 18th November 2023, Ziauddin College - Intermediate and A - Levels, hosted the Karachi Region Finale, having His Excellency, Bakheet Ateeq Al-Rehmati - Consul General of the United Arab Emirates as the Chief Guest. The competition showcased the linguistic prowess of students from leading institutions across the city. The event was graced by esteemed guests including the then Minister for Education, Mrs. Rana Hussain, and senior leadership from Ziauddin, who commended the initiative and its impact on youth development.

Subsequently, on 12th December 2023, the Hyderabad Region Finale was held at Hayat School and College. The finale was attended by Mrs. Rana Hussain as Chief Guest, alongside Mrs. Rafia Javed Mallah, Director of DIRPS, and Mr. Arsalaan Iqbal Leghari, Principal of Ziauddin College - Intermediate and A- Levles. Both events demonstrated a deep commitment to promoting language skills, academic confidence, and healthy competition among students across the province. These regional finales not only celebrated the intellectual potential of Sindh's youth but also reinforced the importance of sustained educational initiatives rooted in equity, opportunity, and excellence.

# 2024: THE RISE OF THE REGIONS

Building on the remarkable momentum of its debut, the year 2024 marked a transformative chapter in the journey of the All Sindh Youth Spelling Bee Competition. Under the continued patronage of Mr. Syed Sardar Ali Shah, Minister for Education, Government of Sindh, and the unwavering leadership of Mrs. Rafia Javed Mallah, the competition expanded its reach beyond Karachi and Hyderabad to include all six regions of Sindh—Karachi, Hyderabad, Mirpurkhas, Sukkur, Larkana, and Shaheed Benazirabad.

This province-wide inclusion was a significant milestone, making the competition truly representative of Sindh's diverse student talent. The overwhelming participation from urban and rural schools alike reaffirmed the belief that brilliance knows no boundaries. Students from newly included regions, particularly Mirpurkhas, showcased remarkable skill, confidence, and stage presence—earning praise from judges and audiences alike.

The 2024 edition not only saw a significant increase in the number of participants but also introduced improved structural elements, enhanced evaluation processes, and greater logistical coordination. With regional rounds conducted across the province, the competition became a vibrant academic celebration—uniting young learners under a common banner of excellence in language, learning, and leadership.

What began as a spark in 2023 truly surged into a province-wide movement in 2024—empowering students, engaging communities, and setting the stage for even greater milestones ahead.

# 2024: THE RISE OF THE REGIONS

## Milestone Achieved: Government Schools Step into the Spotlight

For the first time in the history of the All Sindh Youth Spelling Bee Competition, the 2024 edition proudly witnessed the active participation of 18 government educational institutions from across the province. This historic inclusion comprised 13 schools from Hyderabad, 1 from Hala, 2 from Jamshoro, 1 from Bhadoor, and 1 from Mithi, marking a powerful shift toward greater inclusivity and representation in academic competitions. This landmark achievement reflects the growing credibility and reach of the competition, and more importantly, the deliberate efforts to ensure that opportunities for intellectual growth and recognition extend beyond the private sector. The inclusion of government schools was not just a number—it was a statement of intent: that talent exists in every classroom, and every child, regardless of their school's resources or location, deserves a platform to excel. By bridging the long-standing gap between private and government education systems, the Spelling Bee took a significant step toward educational equity, opening new doors for participation, visibility, and confidence-building for students who may not traditionally have access to such competitive platforms. The enthusiastic involvement of these government schools, many of whom were entering such a competition for the very first time, reinforced the core mission of the initiative—to empower every learner, to celebrate potential, and to nurture excellence without boundaries.

This progress stands as a testament to the collaborative efforts of the Sindh Education & Literacy Department, the Directorate of Inspections and Registrations of Private Institutions, and the visionary leadership guiding this initiative. It is a defining milestone—one that paves the way for deeper, more meaningful engagement with the public education system in the years to come.

# 2024: THE RISE OF THE REGIONS

## Final Showdown: Where Spelling Stars Shined

The Grand Finale of the All Sindh Youth Spelling Bee Competition 2024 concluded with remarkable energy, achievements, and applause at Hayat Public School and College, Hyderabad, following the special directive of Mr. Syed Sardar Ali Shah, Honorable Minister for Education, Government of Sindh. The event brought together 30 finalist teams from across the province—marking the culmination of an inspiring, competitive journey that showcased the linguistic brilliance and academic confidence of Sindh's youth. This year's finale reflected not only the academic intensity of the competition but also the inclusive vision of the Government of Sindh—welcoming participation from both public and private institutions. Graced by Mr. Zahid Ali Abbasi, Secretary, Sindh Education and Literacy Department, as the Chief Guest, the event emphasized fairness, merit, and student celebration. His decision to honor tied positions equally, without tie-breaker rounds, underscored a commitment to recognizing every student's hard work and potential. All winning teams were awarded cash prizes, certificates, trophies, and appreciation letters, personally distributed by the Secretary Education—a gesture applauding the exceptional commitment of students, teachers, and parents alike.

# FROM SPARK TO SURGE: A STATISTICAL JOURNEY

*The 2024 edition of the All Sindh Youth Spelling Bee Competition witnessed a notable rise in the participation of girls across all regions. From classrooms to the competition stage, young girls stepped forward with confidence, clarity, and command over language—reflecting a powerful shift in educational engagement and opportunity. This growing representation is a positive indicator of changing mindsets, supportive institutions, and inclusive platforms that empower every learner, regardless of gender.*

# HONORING A LEGACY IN EDUCATION

## Mr. Wahid Bux Shaikh

In a heartfelt moment during the Grand Finale of the All Sindh Youth Spelling Bee Competition 2024, a special honor was presented to a man whose lifelong commitment to education has transformed not just classrooms but communities across Sindh. Mr. Wahid Bux Sheikh, the respected Director of Hayat Public School and College, was awarded the prestigious Lifetime Achievement Award in recognition of his decades of outstanding service, dedication, and unwavering pursuit of academic excellence. The award was presented by the Chief Guest, Mr. Zahid Ali Abbasi, Secretary of the Sindh Education and Literacy Department, alongside dignitaries from the Directorate of Inspections and Registrations of Private Institutions (DIRPIS), in a ceremony that was both emotional and inspiring. The recognition celebrated not only his institutional leadership but also his role as a visionary in educational reform, an advocate for inclusive learning, and a mentor to generations of students and educators. Mr. Wahid Bux Sheikh's contribution to education spans decades of tireless effort and innovation. Under his leadership, Hayat Public School and College has not only thrived academically but has also become a model for nurturing confidence, discipline, and holistic development among students. His focus has always extended beyond textbooks—emphasizing character, creativity, and communication. It is this very philosophy that made Hayat College – Fatima Campus one of the first-place winners in this year's Spelling Bee competition. His school's consistent participation, particularly in hosting the Grand Finale for 2024, speaks volumes of his belief in creating platforms for youth development. Mr. Sheikh has continuously advocated for events that bring students together to celebrate learning, develop leadership, and challenge themselves in healthy competition. His support of such initiatives is deeply rooted in his belief that education is not confined to classrooms but lives in the opportunities we create for children to grow, speak, and be seen.

The Directorate of Inspections and Registrations of Private Institutions, Sindh, also acknowledged Mr. Sheikh's unmatched contribution to school development, institutional governance, and mentorship of fellow educators. In an era where many schools function merely as academic hubs, Mr. Wahid Bux Sheikh transformed his institution into a vibrant community of learners.

# TOGETHER, WE SPELLED SUCCESS

Behind every word spelled and every stage lit up, there are countless hands and hearts working silently yet tirelessly. We extend our deepest thanks to all those who have supported, guided, and contributed—organizers, educators, schools, volunteers, institutions, and partners. Your unwavering commitment, behind-the-scenes efforts, and belief in this vision have made two remarkable years of the All Sindh Youth Spelling Bee Competition possible. **Together, you've helped shape a platform that empowers, inspires, and uplifts the youth of Sindh.**
